BOOK SYNOPSIS

WARNING ! THIS BOOK ABOUT AUTISM IS NOT A BOOK AMONG OR LIKE MANY OTHERS... Discover the hidden face of autism in this work by Pierre-AndrE Pelletier where he delivers highly controversial testimony about autism and his life as a person with autism and Asperger syndrome. In the form of an interview conducted by Nadine Primeau, Pierre-AndrE, living completely withdrawn from society for over four years, dares to reveal with an open heart, through his story, his reality of an autistic person with Asperger syndrome, his suffering living in this world, his discoveries, his Consciousness and his new understanding of this condition based on his experiences. With his genius, his Consciousness and his honest discussion, the author will make you see autism in a new way; you will discover nothing less than the real cause of autism that very few people know or talk about. And so through this book Autism, reviewed and corrected by a man with Asperger syndrome, you will gain a new understanding of the reality that only a Conscious autistic individual can explain. With what you will discover in this book, you may actually find yourself wishing you were an autistic person if youre not one already, since you will understand a little more about the meaning and purpose of life on Earth. Pierre-AndrE Pelletier is an autistic person with Asperger syndrome and the author of several new books on the topic of Consciousness.
