BOOK SYNOPSIS

For courses in First Responder and Emergency Medical Services Learn to think like an EMR The leader in the field, Emergency Medical Responder, Tenth Edition, provides clear, first responder-level training for fire service, emergency, law enforcement, military, civil, and industrial personnel. The new edition retains all of the successful features from previous editions and includes new topics and concepts that have recently become part of most Emergency Medical Responder programs. Using the new National Emergency Medical Services Education Standards for Emergency Medical Responders as a foundation, Emergency Medical Responder also includes the 2010 American Heart Association guidelines for Cardiopulmonary Resuscitation and First Aid. Critical-thinking First on Scene scenarios and From the Medical Director features offer readers a real-world perspective that will help them learn to think like EMRs.
