BOOK SYNOPSIS

Intended primarily for undergraduate college/university courses in investments, this text also provides practical content to current and aspiring industry professionals. Fundamentals of Investing helps readers make informed investment decisions in their personal and professional lives by providing a solid foundation of core concepts and tools. Smart/Gitman/Joehnk use practical, hands-on applications to introduce the topics and techniques used by both personal investors and money managers. The authors integrate a consistent framework based on learning goals to keep readers focused on what is most important in each chapter. Readers will gain the necessary information for developing, implementing, and monitoring a successful investment program.
