## BOOK SYNOPSIS

For courses in the Principles of Taxation. Assist Students in Mastering the Principles of Taxation with the Latest Tax Regulations The Rupert/Pope/Anderson series is unsurpassed in blending technical aspects of the most recent federal taxation mandates with maximum readability and relevance for readers. Containing strong pedagogical tools that enable readers to apply tax principles within the text to real-life situations, and tax information from 2015 and early 2016, Pearsons Federal Taxation 2017 Individuals, Thirtieth Edition provides a better learning experience. Also Available with MyAccountingLab® MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. Students, if interested in purchasing this title with MyAccountingLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
